

Dr. Peter Terhart – A short personal Profile

Dr. Peter Terhart has headed S-Refit AG since 1998 as the sole member of the Management Board. Under his leadership, S-Refit AG has developed into Bavaria's largest venture capital company associated with a savings bank and into a recognized partner in the venture capital industry.

Additionally, Dr. Terhart is a member of the panel for Innovative Dialog between the Federal Government, Commerce, and Science and the Federal Chancellor Dr. Angela Merkel. Dr. Terhart is also member of several advisory boards and was the Chairman of the Board of the German Private Equity and Venture Capital Association until May, 2011.

Prior to assuming the management of S-Refit AG, Dr. Terhart was a portfolio manager with the Bavarian Venture Capital Company mbH (also known as BayBG). After being trained in industrial management, he studied business administration and economics at the University of Regensburg. As the recipient of a scholarship from the German Research Foundation, he completed his studies with a dissertation analyzing United States Chapter 11 Bankruptcy Code.
